This Consulting Agreement ("**Agreement**") is entered into effective as of March 31, 2025 by and between Cher Inc. (the "**Company**") and Nashion Dove ("**Consultant**"). The Company desires to retain Consultant as an independent contractor to perform consulting services for the Company, and Consultant is willing to perform such services, on the terms described below. In consideration of the mutual promises contained herein, the parties agree as follows:

1. *Services and Compensation*. Consultant agrees to perform for the Company the services described in Exhibit A (the "**Services**"), and the Company agrees to pay Consultant the compensation described in Exhibit A for Consultant's performance of the Services.

2. *Confidentiality*.

A. *Definition*. "**Confidential Information**" means any non-public information that relates to the actual or anticipated business or research and development of the Company, technical data, trade secrets or know-how, including, but not limited to, research, product plans or other information regarding Company's products or services and markets therefor, customer lists and customers (including, but not limited to, customers of the Company on whom Consultant called or with whom Consultant became acquainted during the term of Consultant's engagement), software, developments, inventions, processes, formulas, technology, designs, drawing, engineering, hardware configuration information, marketing, finances or other business information. Confidential Information does not include information that (i) is known to Consultant at the time of disclosure to Consultant by the Company as evidenced by written records of Consultant, (ii) has become publicly known and made generally available through no wrongful act of Consultant or (iii) has been rightfully received by Consultant from a third party who is authorized to make such disclosure.

B. *Nonuse and Nondisclosure*. Consultant will not, during or subsequent to the term of this Agreement, (i) use the Confidential Information for any purpose whatsoever other than the performance of the Services on behalf of the Company or (ii) disclose the Confidential Information to any third party. Consultant agrees that all Confidential Information will remain the sole property of the Company. Consultant also agrees to take all reasonable precautions to prevent any unauthorized disclosure of such Confidential Information, including, but not limited to, having each of Consultant's employees and contractors, if any, with access to any Confidential Information execute an agreement containing provisions at least as restrictive to such personnel as this agreement, with respect to matters including, without limitation, Confidential Information, invention assignment, non-competition and non-solicitation. Without the Company's prior written approval, Consultant will not directly or indirectly disclose to anyone the existence of this Agreement or the fact that Consultant has this arrangement with the Company, except as required by applicable law or judicial order. Nothing herein shall prohibit Consultant from disclosing (i) to third parties that he is a consultant or an independent contractor with the Company and that he generally has a contractual arrangement with the Company (without disclosing any material terms of his specific rights and obligations hereunder), and (ii) the foregoing information to his legal counsel and accountants.

C. *Former Client Confidential Information*. Consultant agrees that Consultant will not, during the term of this Agreement, improperly use or disclose any proprietary information or trade secrets of any former or current employer of Consultant or other person or entity with which Consultant has an agreement or duty to keep in confidence information acquired by Consultant, if any. Consultant also agrees that Consultant will not bring onto the Company's premises any unpublished document or proprietary information belonging to any such employer, person or entity unless consented to in writing by such employer, person or entity.

D. *Third Party Confidential Information*. Consultant recognizes that the Company has received and in the future will receive from third parties their confidential or proprietary information subject to a duty on the Company's part to maintain the confidentiality of such information and to use it only for certain limited purposes. Consultant agrees that, during the term of this Agreement and thereafter, Consultant owes the Company and such third parties a duty to hold all such confidential or proprietary information in the strictest confidence and not

to disclose it to any person, firm or corporation or to use it except as necessary in carrying out the Services for the Company consistent with the Company's agreement with such third party.

E. *Return of Materials*. Upon the termination of this Agreement, or upon Company's earlier request, Consultant will deliver to the Company all of the Company's property, including but not limited to all documents, electronically stored information, materials, equipment and hardware, and passwords to access such property, or Confidential Information that Consultant may have in Consultant's possession or control.

3. *Ownership*.

A. *Assignment*. Consultant agrees that all copyrightable material, notes, records, drawings, designs, inventions, improvements, developments, discoveries and trade secrets conceived, discovered, developed or reduced to practice by Consultant, solely or in collaboration with others, during Consultant's provision of services to the Company prior to the date hereof, and during the term of this Agreement, that relate in any manner to the business of the Company as currently conducted or proposed to be conducted as of the date hereof that Consultant may be directed to undertake, investigate or experiment with or that Consultant may become associated with in work, investigation or experimentation in the Company's line of business in performing the Services under this Agreement (collectively, "**Inventions**"), are the sole property of the Company. Consultant also agrees to assign (or cause to be assigned) and hereby assigns fully to the Company all Inventions and any copyrights, patents, mask work rights or other intellectual property rights relating to all Inventions.

In Process

B. *Further Assurances*. Consultant agrees to assist Company, or its designee, at the Company's expense, in every reasonable and proper way to secure the Company's rights in Inventions and any copyrights, patents, mask work rights or other intellectual property rights relating to all Inventions in any and all countries, including the disclosure to the Company of all pertinent information and data with respect to all Inventions, the execution of all applications, specifications, oaths, assignments and all other instruments that the Company may deem necessary in order to apply for and obtain such rights and in order to assign and convey to the Company, its successors, assigns and nominees the sole and exclusive right, title and interest in and to all Inventions, and any copyrights, patents, mask work rights or other intellectual property rights relating to all Inventions. Consultant also agrees that Consultant's obligation to execute or cause to be executed any such instrument or papers shall continue after the termination of this Agreement.

C. *Pre-Existing Materials*. Subject to **Section 3.A**, Consultant agrees that if, in the course of performing the Services, Consultant incorporates into any Invention developed under this Agreement any pre-existing invention, improvement, development, concept, discovery or other proprietary information owned by Consultant or in which Consultant has an interest, (i) Consultant will inform Company, in writing before incorporating such invention, improvement, development, concept, discovery or other proprietary information into any Invention, and (ii) the Company is hereby granted a nonexclusive, royalty-free, perpetual, irrevocable, worldwide license to make, have made, modify, use, bundle and sell such item as part of or in connection with such Invention. Consultant will not incorporate any invention, improvement, development, concept, discovery or other proprietary information owned by any third party into any Invention without Company's prior written permission.

D. *Attorney-in-Fact*. Consultant agrees that, if the Company is unable because of Consultant's unavailability, dissolution, mental or physical incapacity, or for any other reason, to secure Consultant's signature for the purpose of applying for or pursuing any application for any United States or foreign patents or mask work or copyright registrations covering the Inventions assigned to the Company in **Section 3.A**, then Consultant hereby irrevocably designates and appoints the Company and its duly authorized officers and agents as Consultant's agent and attorney-in-fact, to act for and on Consultant's behalf to execute and file any such applications and to do all other lawfully permitted acts to further the prosecution and issuance of patents, copyright and mask work registrations with the same legal force and effect as if executed by Consultant.

4. *Conflicting Obligations*.

A. *Conflicts*. Consultant certifies that Consultant has no outstanding agreement or obligation that is in conflict with any of the provisions of this Agreement or that would preclude Consultant from complying

with the provisions of this Agreement. Consultant will not enter into any such conflicting agreement during the term of this Agreement. Consultant's violation of this **Section 4.A** will be considered a material breach under **Section 6.B**.

B. *Substantially Similar Designs*. In view of Consultant's access to the Company's trade secrets and proprietary know-how, Consultant agrees that Consultant will not, without Company's prior written approval, design identical or substantially similar designs as any novel designs developed under this Agreement for any third party during the term of this Agreement and for a period of 24 months after the termination of this Agreement. Consultant acknowledges that the obligations in this **Section 4** are ancillary to Consultant's nondisclosure obligations under **Section 2**.

C. *Exceptions to Prohibitions*. No obligation in this Agreement shall be enforced in a manner that would, in violation of 18 USC Section 1833(b), hold an individual criminally or civilly liable under any federal or state trade secret law for the disclosure of a trade secret that (a) is made (i) in confidence to a federal, state, or local government official, either directly or indirectly, or to an attorney; and (ii) solely for the purpose of reporting or investigating a suspected violation of law; or (b) is made in a complaint or other document filed in a lawsuit or other proceeding, if such filing is made under seal.

5. *Reports*. Consultant also agrees that Consultant will, from time to time during the term of this Agreement or any extension thereof, keep the Company advised as to Consultant's progress in performing the Services under this Agreement. Consultant further agrees that Consultant will, as requested by the Company, prepare written reports with respect to such progress. The Company and Consultant agree that the time required to prepare such written reports will be considered time devoted to the performance of the Services.

6. *Term and Termination*.

A. *Term*. The initial term of this Agreement will begin on the date hereof and will continue for six (6) months thereafter (the "**Initial Term**"). Unless terminated earlier in accordance with this Section 6, this Agreement shall automatically renew for additional (4) month periods unless and until terminated in accordance with this Section 6. The "term" of this Agreement shall mean the Initial term and any subsequent term.

B. *Termination*. Either party may terminate this Agreement upon giving the other party 14 days' prior written notice of such termination pursuant to **Section 12.E** of this Agreement. The Company may terminate this Agreement immediately and without prior notice if Consultant refuses to or is unable to perform the Services or is in breach of any material provision of this Agreement.

C. *Survival*. Upon such termination, all rights and duties of the Company and Consultant toward each other shall cease except:

(1) The Company will pay, within 45 days after the effective date of termination, all amounts owing to Consultant for Services completed and accepted by the Company prior to the termination date and related expenses, if any, submitted in accordance with the Company's policies and in accordance with the provisions of **Section 1** of this Agreement; and

(2) Section 2 (Confidentiality), Section 3 (Ownership), Section 4 (Conflicting Obligations), Section 7 (Independent Contractor; Benefits), Section 8 (Indemnification) Section 9 (Non-competition and Non-solicitation), Section 10 (Non-Disparagement), Section 11 (Equitable Relief; Waiver of Jury Trial; Voluntary Agreement) and Section 12 (Miscellaneous).

7. *Independent Contractor; Benefits*.

A. *Independent Contractor*. It is the express intention of the Company and Consultant that Consultant perform the Services as an independent contractor to the Company. Nothing in this Agreement shall in any way be construed to constitute Consultant as an agent, employee or representative of the Company. Without limiting the generality of the foregoing, Consultant is not authorized to bind the Company to any liability or obligation or to represent that Consultant has any such authority. Consultant agrees to furnish (or reimburse the Company for)

all tools and materials necessary to accomplish this Agreement and shall incur all expenses associated with performance, except as expressly provided in Exhibit A. Consultant acknowledges and agrees that Consultant is obligated to report as income all compensation received by Consultant pursuant to this Agreement. Consultant agrees to and acknowledges the obligation to pay all self-employment and other taxes on such income.

B. *Benefits*. The Company and Consultant agree that Consultant will receive no Company-sponsored benefits from the Company. If Consultant is reclassified by a state or federal agency or court as Company's employee, Consultant will become a reclassified employee and will receive no benefits from the Company, except those mandated by state or federal law, even if by the terms of the Company's benefit plans or programs of the Company in effect at the time of such reclassification, Consultant would otherwise be eligible for such benefits.

8. *Indemnification.* Consultant agrees to indemnify and hold harmless the Company and its directors, officers and employees from and against all taxes, losses, damages, liabilities, costs and expenses, including attorneys' fees and other legal expenses, arising directly or indirectly from or in connection with (i) any negligent, reckless or intentionally wrongful act of Consultant or Consultant's assistants, employees or agents, (ii) a determination by a court or agency that the Consultant is not an independent contractor, (iii) any breach by the Consultant or Consultant's assistants, employees or agents of any of the covenants contained in this Agreement, (iv) any failure of Consultant to perform the Services in accordance with all applicable laws, rules and regulations, or (v) any violation or claimed violation or infringement of a third party's rights resulting in whole or in part from the Company's use of the work product of Consultant under this Agreement.

9. *Non-solicitation.* During the term of and the 12 months after the termination of this Agreement (the "**Restricted Period**"), Consultant will not, without the Company's prior written consent, directly or indirectly, as an owner, principal, partner, member, shareholder, independent contractor, consultant, joint venturer, investor, licensor, lender, employee or in any other capacity whatsoever, alone, or in association with any other person: (a) induce, solicit, recruit or attempt to induce, solicit or recruit any employee or contractor of the Company or its affiliates to terminate employment with, or cease providing services to, the Company or its affiliates; (b) solicit, attempt to do any business with, refer or intentionally interfere with the Company's relationship with any advertiser, customer, developer, distributor, licensor, licensee, partner, reseller, or supplier of or to the Company; or (c) use or disclose (or threaten to use or disclose) any Confidential Information in attempt to call on, solicit or obtain business from any actual or prospective client, customer, or business partner of the Company.

10. *Non-Disparagement*. Consultant agrees that Consultant will not make, or cause to be made, any disparaging, negative or adverse statements whatsoever, whether in public or private, and whether written, oral or otherwise, concerning the Company or its agents, attorneys, directors, employees, officers or shareholders, or its or their respective businesses, products or services. Similarly, the Company will not expressly authorize the issuance of any such statement with respect to Consultant. This paragraph does not apply to factual statements made in connection with legal proceedings, governmental and regulatory investigations and actions, and internal Company investigations or any other statement or disclosure required by law.

11. *Equitable Relief; Waiver of Jury Trial; Voluntary Agreement.*

A. *Availability of Injunctive Relief*. Each of the parties hereto acknowledges and agrees that the other parties hereto would be damaged irreparably in the event any of the provisions of this Agreement are not performed in accordance with their specific terms or otherwise are breached. Accordingly, each of the parties agrees that the other parties shall be entitled to an injunction or injunctions, without the necessity of posting a bond, to prevent breaches of the provisions of this Agreement and to enforce specifically this Agreement and the terms and provisions hereof in any action instituted in any court of the United States or any state thereof having jurisdiction over the parties and the matter, in addition to any other remedy to which they may be entitled, at law or in equity.

B. *Waiver of Jury Trial*. In consideration of my engagement by the Company pursuant hereto, and my receipt of the compensation and other benefits paid to me by the Company, at present and in the future, Consultant agrees to waive any right to trial by jury with regard to any and all controversies, claims, or disputes with anyone (including the Company and any employee, officer, director, shareholder or benefit plan of the Company in their capacity as such or otherwise) arising out of, relating to, or resulting from my engagement by the Company or

the termination of my engagement by the Company, including any breach of this agreement, and any statutory claims under state or federal law.

C. *Voluntary Nature of Agreement*. Consultant acknowledges and agrees that Consultant is executing this Agreement voluntarily and without any duress or undue influence by the Company or anyone else. Consultant further acknowledges and agrees that Consultant has carefully read this Agreement and has asked any questions needed to understand the terms, consequences and binding effect of this Agreement and fully understand it, including that Consultant is waiving its right to a jury trial. B. *Assignability*. Except as otherwise provided in this Agreement, Consultant may not sell, assign, delegate or otherwise transfer or encumber any rights or obligations under this Agreement.

C. *Entire Agreement*. This Agreement constitutes the entire agreement between the parties with respect to the subject matter of this Agreement and supersedes all prior written and oral agreements between the parties regarding the subject matter of this Agreement other than any agreement by and between Consultant and the Company concerning non-disclosure of Company proprietary information, which shall continue in full force and effect, except that where there is a conflict between such agreement and this Agreement, the provision more restrictive to Consultant shall govern.
